

WORKING BEE 7th October 2017 SPRING CLEAN

To All Parents and Carers,

We would like to thank all of the parents, carers, teachers and City Serve volunteers who came to the working bee on 7th October, 2017. Fantastically we managed to finish everything on a very large list, WOW, thank you all so much. The feedback has been outstanding and the committee would like to thank everyone that came to help.

A special thanks to those families and staff that donated water bottles and a beautiful morning tea to feed the hard workers. We appreciate Bunning's generosity in donating plants for our gardens.

There are many people the Committee would like to thank. Firstly we would like to thank all staff, led by Diane, which put in a lot of extra hours preparing the rooms for painting, developing the lists, ordering the equipment, meeting with Council and City Serve representatives, and starting the gardening. This extra effort made it very easy for all of us to come in and get to work. We would like to thank Ben and Rian for their expertise in laying the turf around the swinging tree and repair of pavers. Carolyn Ryan from Globe Church co-ordinated the volunteers from Globe Church and liaised with Council representative, Brad Smith, and Day Care staff. Carolyn also organised the paint and painting equipment that was donated by City Serve sponsor Wattyl Paints.

It was a fun day where parents, carers, teachers and community members from City Serve Program got to meet each other and chat while helping to make the Centre clean, fresh and a place for our children to enjoy.

The long list of jobs that were completed on the day includes:

- New turf under the swing,
- Fixing pavers around the sand pit,
- Painting external verandah
- Painting the staff room, office, and bathroom
- Removal of ceiling fan and patching of hole
- Weeding of the gardens, removal of dead trees and shrubs
- New planting and mulching the gardens
- Filling of sand pits and dirt pit, and cleaning of the undercover area and pavers
- Mending and general repairs inside such as chairs and other equipment,
- Cleaning out the drains and gutters
- Repair of washing line

Many thanks again to all those Parents, Carers, Teachers and Community Members from City Serve who attended.

Committee
