Dear CityServe group,

On behalf of the management committee, staff and families at Peter Pan Preschool, we would like to thank you for your very generous efforts in gardening at our pre school last Saturday. So many of our families commented on the garden makeover this week.

As you are aware our preschool is non-profit and all fees and fundraising goes back to maintaining the high standard of our service while endeavouring to keep fees to a minimum to make our pre-school affordable to all the families in our area. It is due to the support of organisations like yours that enables us to achieve this.

Kind Regards,

The Staff, Children & Families
